Dear Sir/Madam

## Proposed Carland Cross Windfarm redevelopment – Drop in days

As you may be aware from our previous letter and through media advertisement, ScottishPower Renewables has identified Carland Cross windfarm for potential redevelopment to extend the life of the windfarm and to extend its renewable energy output to around 20MW.

We are holding public drop in days for local residents and the general public who are interested in the project to come and meet with us to discuss any issues and to try and answer your questions.

The drop in days will be held at the following venue and times:

**St Newlyn East Village Hall,**

**Monday 10<sup>th</sup> March 10.30 am until 5 pm,**

**Tuesday 11<sup>th</sup> march 4 pm until 7 pm.**

If you cannot attend but would like any further information then please contact me on the details below.

Yours faithfully,

Benjamin Bateman
